More Information

Customers will have an opportunity to learn more and ask questions at a public hearing to be held on November 14, 2022, at 6:30 p.m. in the Jeff P. Nixon Development Center located at 225 Douglass Street in Portland. Customers have the right to request additional information relating to rates. Materials supporting the rate increase are available online and can be mailed on request.

Ongoing Needs

The Portland Water District provides high quality water to over 210,000 people. This requires continual investments in infrastructure and facilities and advances in service. This year we will invest \$8.7 million in water main replacements and other enhancements to systems.
