

Boil Order Lifted

52, 50, 48, 46 Western Promenade, Portland

Customers can now use their tap water for all purposes. The boil water order is lifted as of **September 11, 2024 at 10:30 a.m.** All water tests indicate the water is safe to drink without boiling.

On **September 9, 2024**, a boil order advisory was issued to your property due to the potential of a cross-contamination event during a construction project.
